SPRUCING UP FOR SPRING

It's that time of year! Time to think about spring. Here's a helpful home maintenance checklist to help you get ready for the new season:

- ✓ Remove snow and ice from overhang and vents and clear eavestroughs and downspouts.
 - ✓ Turn on your exterior water supply and make plans for landscaping and gardening.
 - ✓ Clean humidifier and check for condensation and proper humidity levels.
 - ✓ Watch for loose or cracked shingles and have a professional inspect it.
 - ✓ Check air ducts, remove covers and vacuum dust from vents.
 - ✓ Check and clean the heat recovery ventilator, wash or replace the filter.
 - ✓ Check attic, basement and crawl spaces for leaks or moisture.
 - ✓ Look on driveways, patios and balconies for frost damage.
 - ✓ Test smoke alarms and carbon monoxide detectors.
 - ✓ Clean or replace furnace filter.
 - ✓ Spring decor changing pillows/throws for a brighter palette for spring.
