READ ABOUT OUR FEATURE ARTICLE ON

URBAN TORONTO

“Yorkwoods Condos will be located within a short walk of the future Jane stop on the Finch West LRT, which is currently under construction. Once built, it will provide rapid transit to 46,000 passengers per day and by 2031 is projected to have an annual ridership of 12 million passengers. It is expected that housing demand will be strongest in the areas that are within walking distance of a transit station, making Yorkwoods a desirable option”.
